Director
Central Intelligence Agency
Washington, D. C.
U.S.A.

Sir:

We have been reading in the local press that a Bill has been signed by the United States government, which is to provide certain rights and rewards to those who worked for the Secret Information Service of the United States during the last war.

We will be greatly indebted to you if you could be kind enough to inform us the details of this Bill, if possible, as also whether the members of our organization are included in it and are entitled to the rights and privileges.

25X1A

We desire to inform you that our organization con-
